

GARÇON!

YOUR FIRST FAN

PHOTOGRAPHER

Garçon! is not this obnoxious french waiter you may encounter from time to time. He is actually Bangkok's #1 Agency dedicated to social media only, designing stunning strategies for brands across Thailand and beyond.

Because we thrive on creativity, shine under talent, genius and imagination, we provide 120% of our energy to developing innovative, entertaining and edgy social media campaigns for our clients to STAND OUT.

We're all about social media content: as we speak we're currently launching an hypnotizing campaign teaser, crafting a series of short silly videos and rebranding countless Instagram accounts with a touch of style and sense of innovation. We handle everything from strategy to execution, page management to content production, artwork design to viral ad campaigns, influencer marketing and so much more.

We're a bunch of creative minds, social media nerds and free spirits who are not afraid of going wild. Feel like you're the same? Great!

Garçon! is growing and we are looking for new talents to work on some of the most strategic accounts of the Agency.

THE JOB

The Photographer is responsible for planning, capturing and editing photos that could be used for a variety of projects such as social media advertisements or larger digital campaigns.

We are looking for a creative Photographer with a terrific eye for catching action and capturing amazing content. He/she will work with our creative team to plan, shoot and edit content according to client briefs.

MISSIONS

- Produce high quality photos for social media purpose.
- Shoot a variety of different photo/video formats for social media: fun & viral stills, campaign teasers, short videos, promotional videos, interviews, influencer collaborations, lives, etc.
- Plan the shoot with the creative team and the client.
- Work with the production team to hire extra staff when needed: models, extras, cameraman assistant etc.
- Provide creative ideas to stand out: new formats, new styles, new mood and tone.
- Ensure that equipment for a shoot is operational and always ready.
- Prepare the studio or the set: set up and place the lighting and the audio equipment.
- Edit footage in post-production.
- Add computer graphics and special effects to a video, closed captioning, graphics and other on-screen text.
- Perform routine photography and audio equipment maintenance.

QUALIFICATIONS

The Photographer has a good eye for detail and beauty. He/she uses skills to tell visual stories with video and audio recorded during various events. The Photographer must be passionate about creating memorable photos and dedicated to create high quality formats.

- Minimum of 1 year experience as a Photographer with a solid portfolio.
- Creativity and attention to detail.
- Passion for creating stunning content.
- Highly motivated and aware of the latest trends on social media.
- Enough patience to wait for the perfect shot.
- Director skills: guide and manage on set actors and technicians.
- Perfect understanding of post-production techniques and softwares such as Photoshop, Illustrator, InDesign, Lightroom, etc.
- Good editing skills: able to work on the color scheme of photos, videos, create GIFs, stop motions, trim and re-edit videos etc.
- Provide plenty of creative ideas and an understanding of the clients' vision.
- Ability to work under deadline pressure.
